

MANTA RAY

Resort & Spa

Unlike typical beach
resorts, guests are in for

the experience of a lifetime

with
up close
and
personal
encounters with
manta rays!

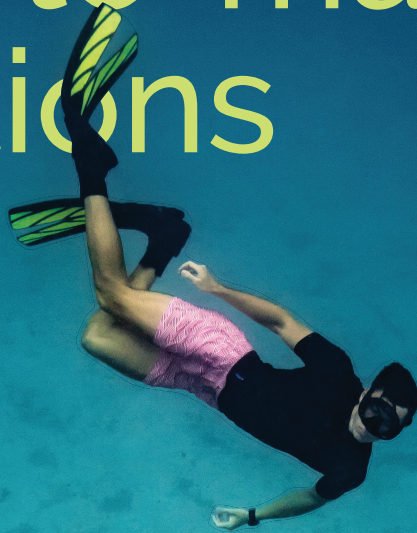

Wherever you go, you're surrounded
by manta rays as the resort is built
around a giant manta ray-filled

blue lagoon!

Located in the
heart of the resort
is a designated
swimming area
designed specifically
for

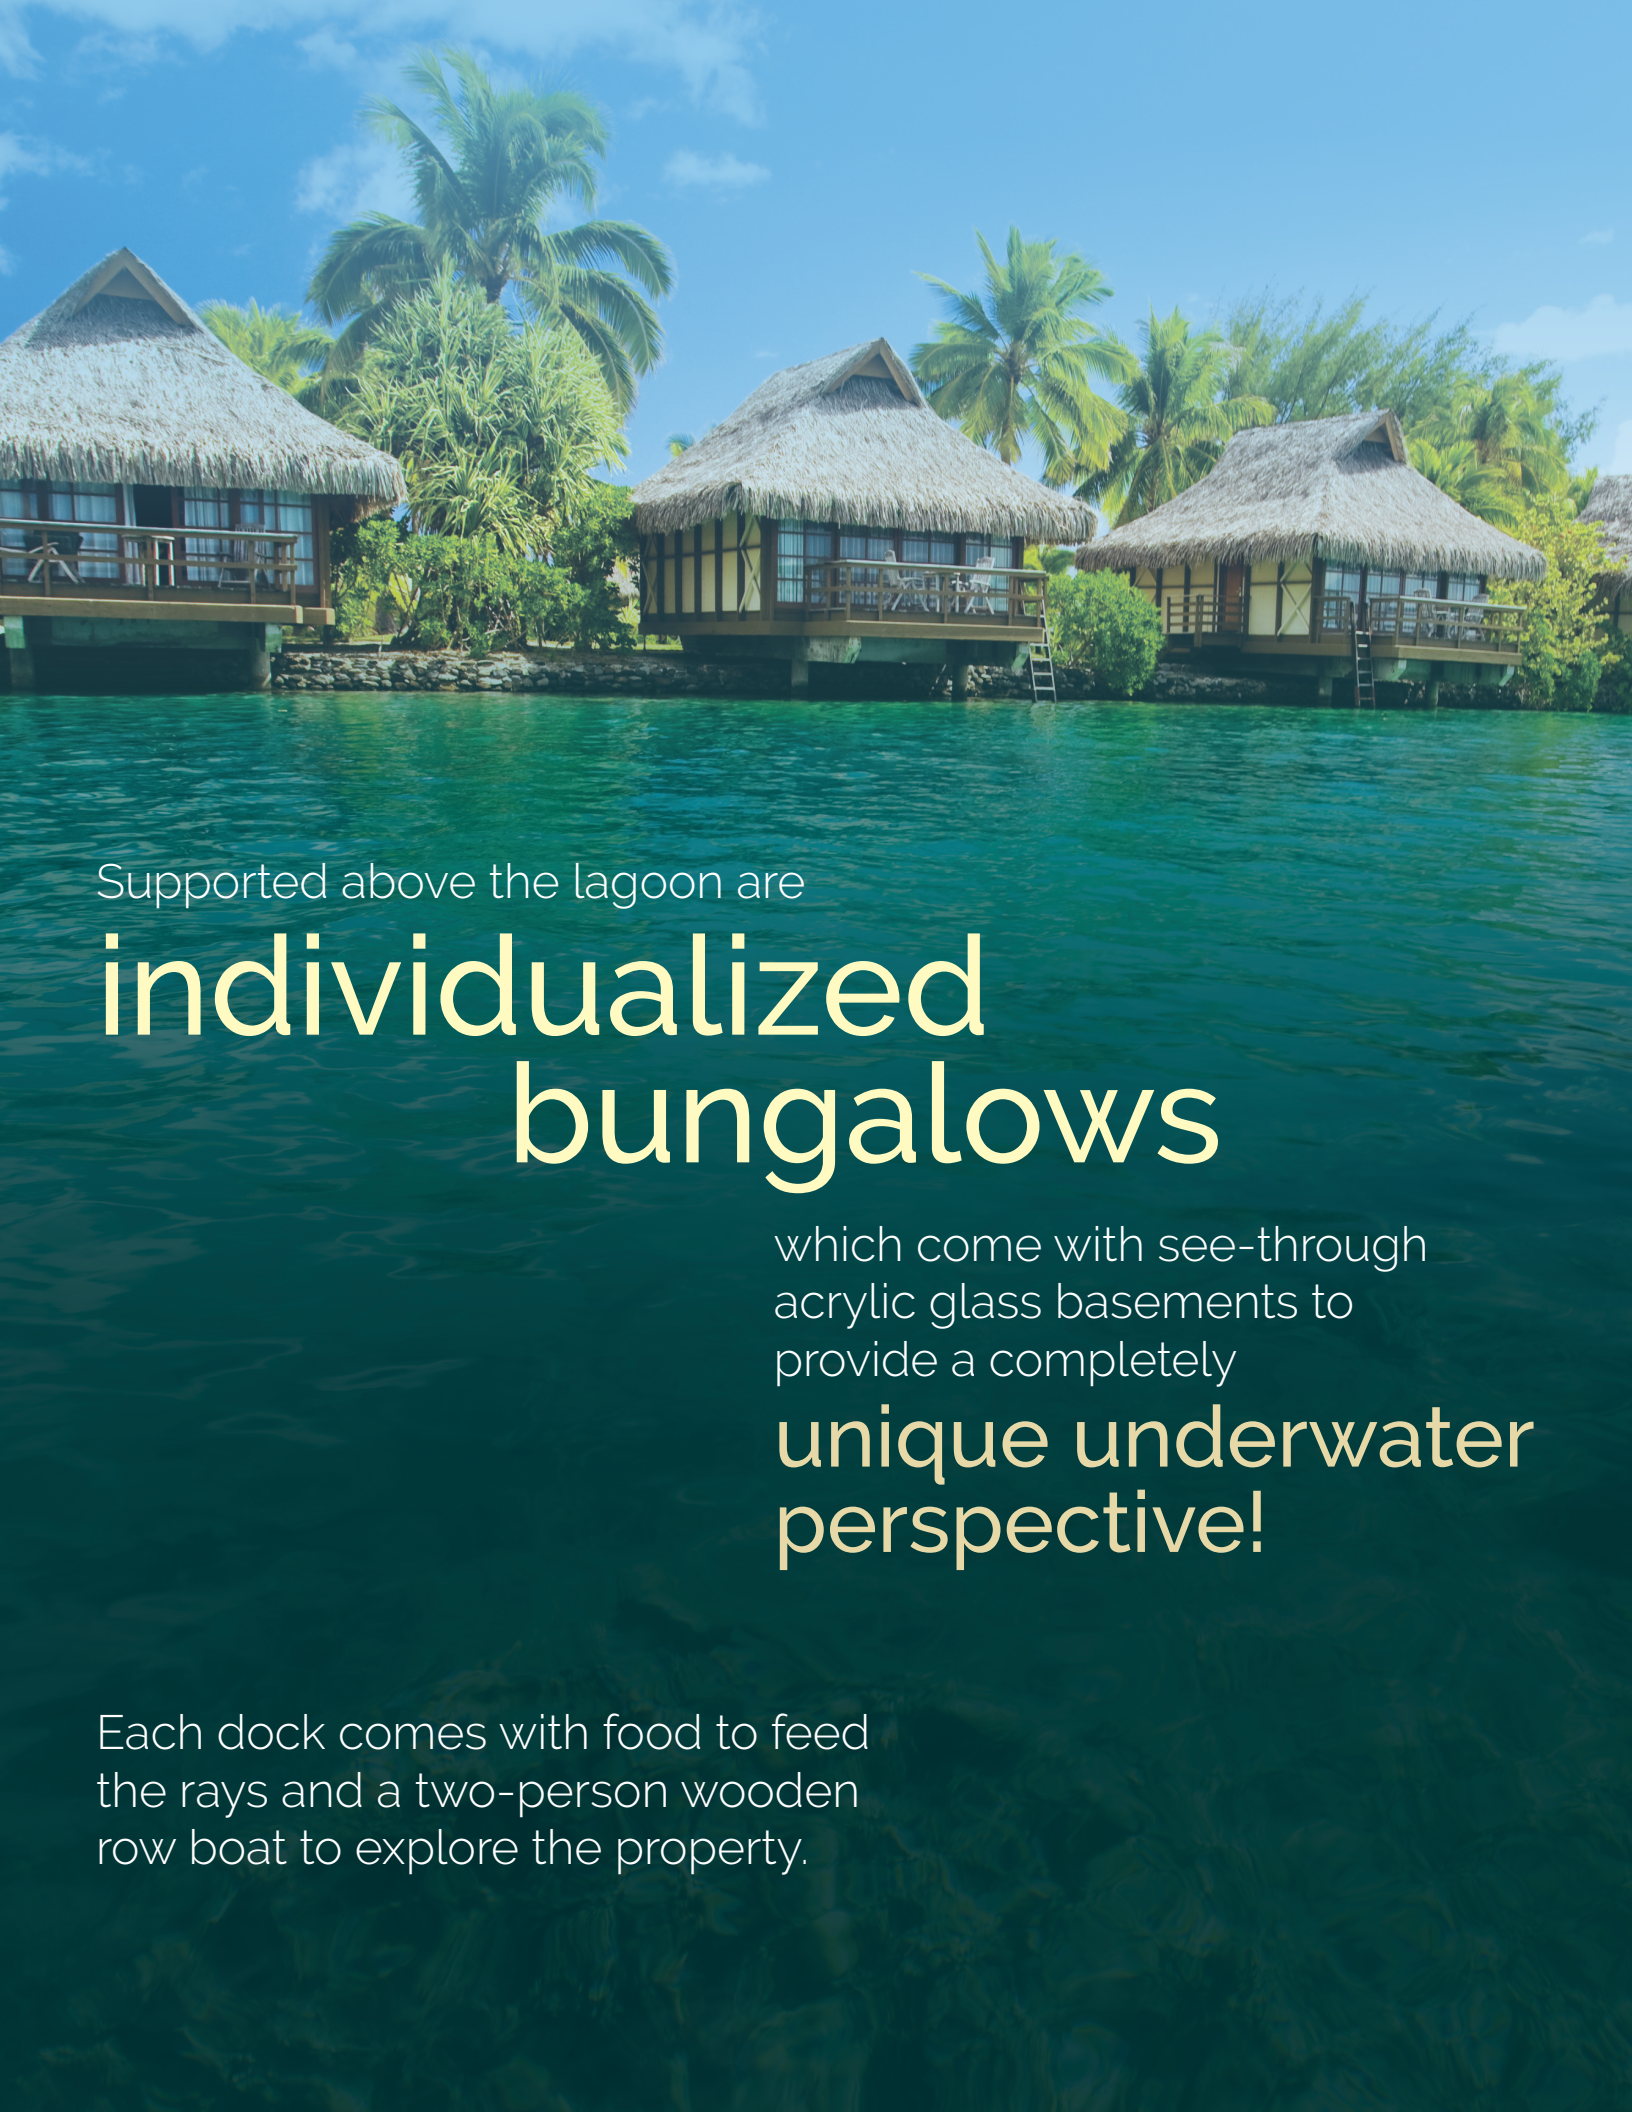

human-to-manta interactions

The resort offers
snorkeling and scuba
diving excursions in its

30-foot deep

oceanwater lagoon to
simulate an authentic
ocean-like experience.

Supported above the lagoon are

individualized bungalows

which come with see-through
acrylic glass basements to
provide a completely

unique underwater perspective!

Each dock comes with food to feed
the rays and a two-person wooden
row boat to explore the property.

Bungalows
range from a

single king
size bed or
two queen
beds.

Couches pull out
into a pullout bed.

Rollaway beds are
available upon request.

Bathrooms include

drop-in
bathtubs

and

step-in
showers

designed
for handicap
accessibility.

Our spa offers

luxurious signature treatments

like massages, facials
and body treatments,
providing

the most
memorable
experience

Our

scavenger

hunts,

The Manta Ray Resort & Spa
is committed to providing the

utmost care and assistance

to rehabilitate injured marine
animals with our state-of-the-
art Rescue & Rehabilitation,
or R&R Center.

In addition, our incubation
hatchery is designed to

protect and repopulate

endangered sea
turtle species.

We value the satisfaction of our guests more than anything in the whole wide world, and are committed to providing them with an everlasting experience of a lifetime.

This is why

every Friday
night at 8pm

we host our

grand fireworks
show

to captivate the skyline,
which is something not
to be missed!
